GINTARĖ ČERNIAUSKAITĖ

— EXPERIENCE

Cherry TEAM, Klaipėda, Lithuania

Front-End Developer	*Sep 2022 – Current*
Junior Front-End Developer	*Apr 2022 – Sep 2022*
Front-End Developer Intern	*Mar 2022 – Apr 2022*

- Created essential functionalities for the Vue.js, Nuxt-centric application, including intricate features like work schedule planning, dynamic salary calculation based on multiple factors and more.
- Elevated product prominence by optimizing SEO.
- Managed new team member onboarding. Reviewed code written by other developers and offered constructive feedback to ensure code quality and consistency. Collaborated with back-end developers to integrate front-end components with API endpoints. Initiated the practice of code review, yielding a discernible decrease in bugs.

— PERSONAL PROJECTS

Yours Next LINK

- A full stack MEVN (MongoDB, Express.js, Vue.js, Node.js) application that enables group creation, playlist sharing among group members, individual or synchronized YouTube viewing, real-time chat, and others updates via Socket.io

List it off LINK

- A front-end-centric full stack React & Express.js application that enables users to create and save shopping lists, to view shopping history and statistics.
